

FISCAL NOTE

SB 1391 - HB 1814

March 6, 2001

SUMMARY OF BILL: Provides that the commissioner of transportation **may** rather than *shall* require an applicant to give bond with surety (unless an applicant shall by sworn statement furnish satisfactory proof of the applicant's own solvency to the authority issuing the permit) to indemnify the state and/or counties thereof, against damages to roads, or bridges, resulting from the use thereof by the applicant.

ESTIMATED FISCAL IMPACT:

MINIMAL

Estimate assumes the Department of Transportation will continue to require posting of a surety bond prior to issuing a permit to transport items that exceed size and weight limit specifications in those cases where surety bonds are currently required.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
